

K DRIVE GREENHOUSE CO.

Connecting with Customers

OPENING DAY

It is finally here, Opening Day at K Drive Greenhouse. Spring has officially arrived, and we know you are ready to begin planting! We are ready too. We have made some adjustments within the store to help facilitate a quick and healthy shopping experience.

If you are still maintaining some social space, but need to start your summer garden, we have a plan for that! Just visit our Website at www.kdrivegreenhouseco.com/shop and place your online order. Once it is ready, we will give you a call to arrange a pickup time. It is that easy.

New Shopping Hours and Curbside Pickup

Although we are thrilled to have spring begin, we do take our responsibility for the health and safety of our customers, staff, and community seriously. That is why we have implemented the following procedures which you will notice while visiting the retail store.

- Dedicated Shopping Hours for Customers with Chronic Health Conditions from 9:00am-10:00am Daily. Masks are REQUIRED.
- Regular Retail Hours are from 10:00am-7:00pm Daily, with Curbside Pickup after 4:00pm.
- Please limit your party size while visiting the store.
- We will monitor the number of shoppers in the store and ask that customers to enter and follow a one-way direction to best maintain a safe distance.
- The Checkout counter has been relocated to facilitate better spacing between customers while waiting to complete your transaction.
- Please limit cash transactions at the register. The preferred method of payment is credit card or gift card.
- We have provided Cashiers and staff with Personal Protection Equipment including the installation of Sneeze Guards at their stations. We ask that you also wear a mask or face covering as directed by the Governor's order when you visit our store.
- The staff is working diligently to clean and sanitize carts, cash register stations, common areas, and display surfaces so that we all stay safe.
- Our restroom is closed for public use to minimize touch points. Please plan accordingly.

Some of our services and help may be limited due to staffing restrictions, we appreciate your continued support as we safely navigate the beginning of our 35th season.
